

NETWORK OPERATING SYSTEM

Task 6

Limiting who can install software

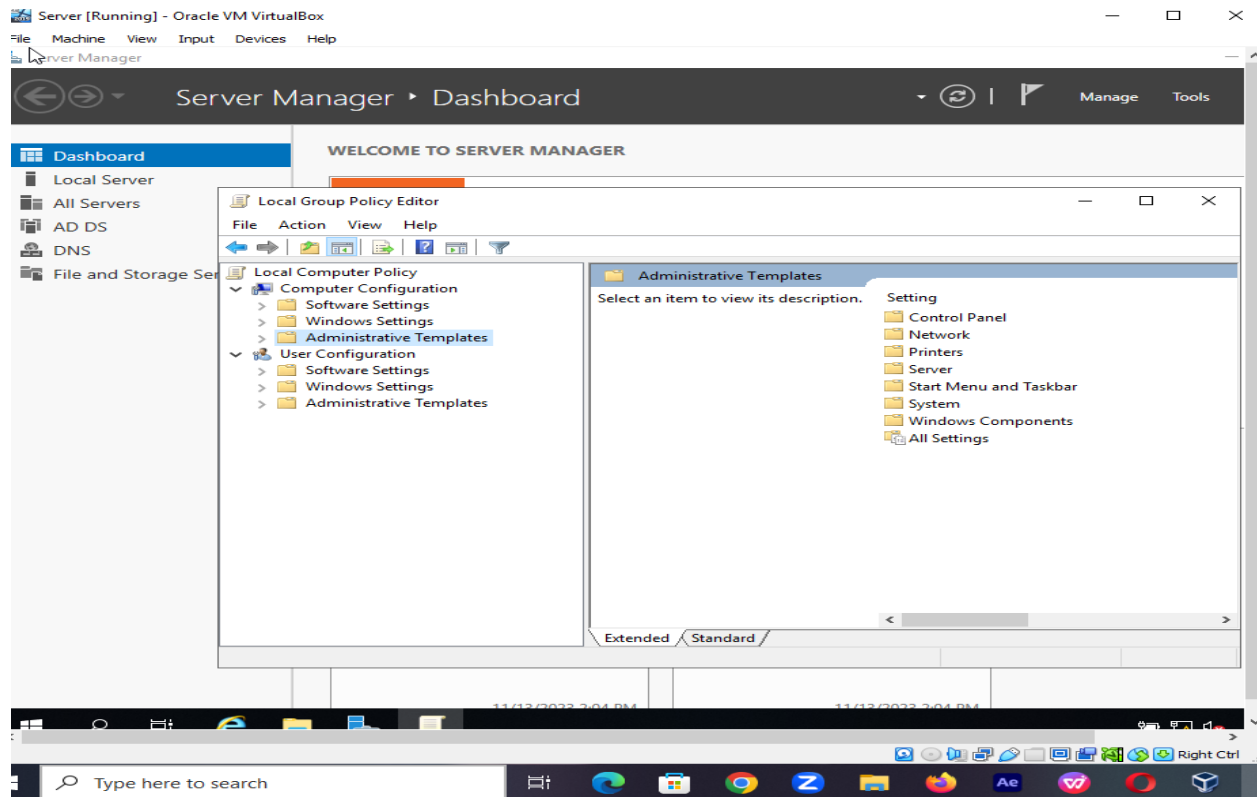

By

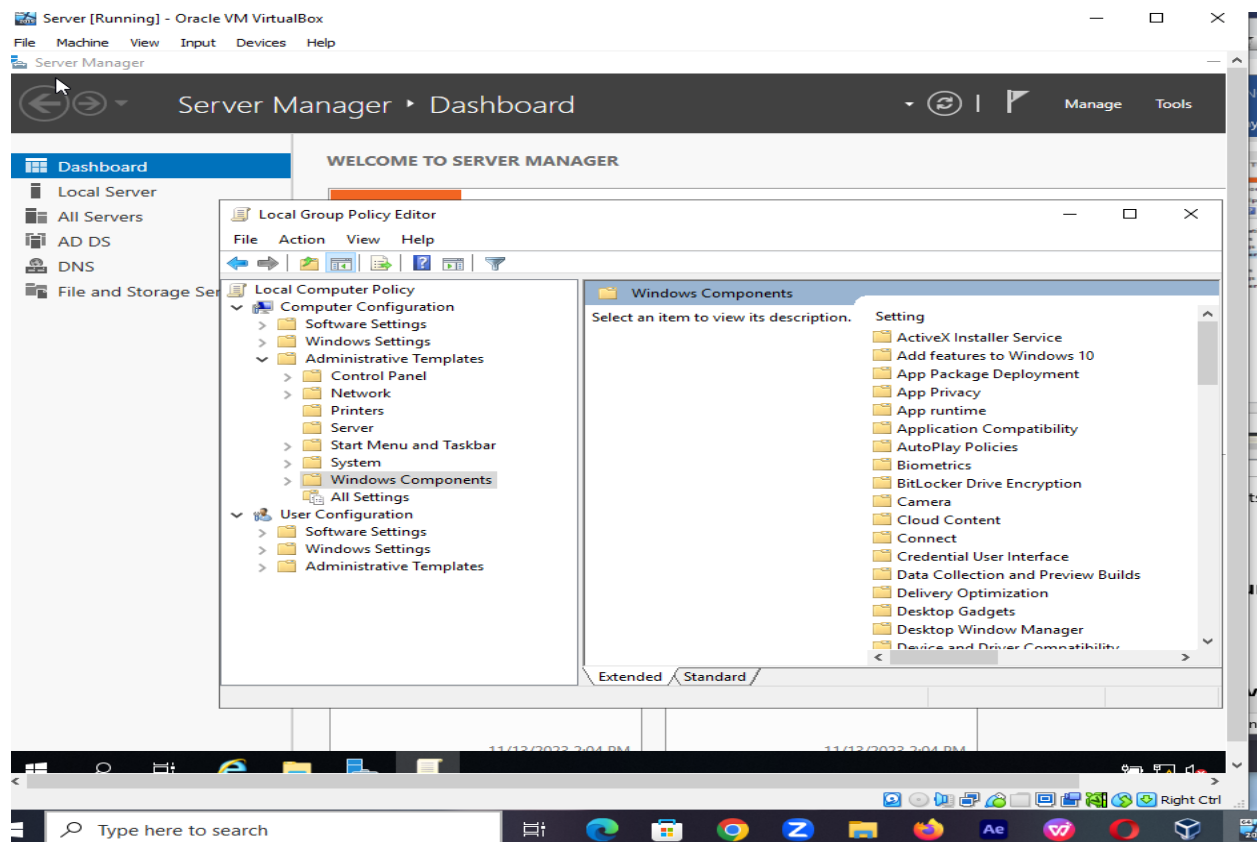

DEWTON KIPROP

The screenshot shows a Windows Server 2012 R2 virtual machine environment. The 'Server Manager' application is the primary focus, displaying the 'Dashboard' view. In the background, the 'Local Group Policy Editor' is open, with the 'Computer Configuration' tree expanded. The 'Standard' tab is active in the Local Group Policy Editor. The taskbar at the bottom includes the Start button, a search bar, and several pinned applications like Internet Explorer, File Explorer, and various utility tools. The system clock in the bottom right corner indicates the date and time as 11/12/2023 1:54 PM.
